

MEMAR INTERNATIONAL

Building The Future , Together

WHO WE ARE

Memar International is a premier multi-disciplinary construction and engineering firm established in Qatar in 2004. With over two decades of experience, we have evolved into a market leader, providing comprehensive solutions from architectural conceptualization to complex industrial engineering.

Our unified entity now encompasses a vast spectrum of capabilities, seamlessly integrating general construction, specialized protective coatings, and advanced engineering services under one roof.

OUR VISION

"To be the region's most trusted partner in construction and engineering excellence, driving sustainable growth and setting benchmarks in quality and innovation."

OUR MISSION

EXCELLENCE

To deliver superior quality in every project, exceeding client expectations through precision and dedication.

PARTNERSHIP

To build lasting relationships with our clients based on trust, transparency, and mutual success.

SUSTAINABILITY

To implement environmentally responsible practices and innovative solutions for a better future.

OUR CORE VALUES

INTEGRITY

We uphold the highest ethical standards in all our operations.

TEAMWORK

We believe in the power of collaboration to achieve extraordinary results.

INNOVATION

We constantly seek new and better ways to solve complex challenges.

SAFETY

We are uncompromising in our commitment to the health and safety of our people.

ARCHITECTURAL DESIGN

INNOVATIVE CONCEPTS

Our architectural division focuses on creating functional, sustainable, and aesthetically pleasing designs. We blend creativity with technical expertise to bring your vision to life.

- Conceptual Design & Planning
- 3D Visualization & Modeling
- Sustainable Building Design
- Urban Planning

INTERIOR DESIGN & FIT-OUT

Transforming Spaces.

We deliver turnkey interior solutions for commercial, residential, and hospitality sectors. Our fit-out teams ensure precision execution of every detail.

- Luxury Furniture Selection
- Space Planning
- Lighting Design

LANDSCAPE ARCHITECTURE

HARMONIZING WITH NATURE

We create outdoor environments that enhance the quality of life. Our landscape services range from private gardens to large-scale public parks.

Our services include hardscaping, softscaping, irrigation systems, and outdoor lighting solutions designed to thrive in the local climate.

GENERAL CONSTRUCTION

Execution Excellence.

Memar International is renowned for delivering high-quality construction projects on time and within budget. We handle everything from residential compounds to high-rise commercial towers.

Our project management teams ensure strict adherence to safety and quality standards throughout the construction lifecycle.

STRUCTURAL STRENGTHENING

RESTORING INTEGRITY

We specialize in advanced structural strengthening techniques to extend the lifespan of existing buildings and infrastructure.

- Carbon Fiber Reinforced Polymer (CFRP) wrapping
- Section enlargement
- Steel plate bonding
- Post-tensioning systems

CONCRETE REPAIR & INJECTION

Expert Rehabilitation.

Our specialized teams diagnose and repair concrete deterioration caused by environmental factors or structural issues.

- ✓ **Crack Injection:** Epoxy and polyurethane injection for leak sealing.
- ✓ **Spalling Repair:** Patching and resurfacing damaged concrete.
- ✓ **Protective Coatings:** Preventing future corrosion.

WATERPROOFING SYSTEMS

TOTAL MOISTURE PROTECTION

We offer a comprehensive range of waterproofing solutions for basements, roofs, and wet areas, ensuring the longevity of your structures.

- Bituminous membrane systems
- Liquid applied membranes (Polyurethane/Acrylic)
- PVC/TPO roofing systems
- Cementitious waterproofing

PROTECTIVE COATINGS

Defending Against Corrosion.

Memar International provides high-performance coating systems for the oil & gas, marine, and industrial sectors.

PASSIVE FIRE PROTECTION

SAFETY FIRST

We are certified installers of advanced passive fire protection systems, critical for maintaining structural stability during a fire event.

- Intumescent coatings for structural steel
- Cementitious fireproofing sprays
- Firestopping for service penetrations
- Fire-rated board systems

INDUSTRIAL FLOORING

Durable Surfaces.

We install heavy-duty flooring systems designed to withstand chemical spills, heavy traffic, and thermal shock in industrial environments.

- ◆ Epoxy & Polyurethane Screeds
- ◆ Self-leveling Systems
- ◆ Anti-static Flooring

OUR PROVEN TRACK RECORD

GOVERNMENT

Trusted partner for major public infrastructure projects.

HOSPITALITY

Delivering luxury finishes for 5-star hotels and resorts.

OIL & GAS

Providing critical protection for energy sector assets.

COMMERCIAL

Constructing iconic office towers and retail spaces.
